RESULT HIGHLIGHT

Full-funnel Search + YouTube strategy cut CPL to under AED 10 — replacing a low-quality 400+ leads/month Meta funnel with sales-ready business inquiries.

Best campaign ROAS: 81x (Company Formation Search).

"The quality of leads from Google Ads was night and day. Our sales team started closing 2–3 deals a week directly from Google inquiries." — Founder, B2B Finance Consultancy, Business Bay, Dubai

A rebuilt Google Merchant Center feed (61% → 97% approval) + 12-month seasonal bid calendar lifted blended ROAS from 6.1x to 8.2x. Shopping campaigns were the top-performing lever, with Daily Wellness achieving 9.5x ROAS.

"Obsidian built a campaign calendar around our categories — for the first time we had consistent revenue throughout the year, not just during peak season." — Founder & MD, Ayurveda & Wellness D2C, Pachmarhi, MP

RESULT HIGHLIGHT

Call-first campaign architecture + Google call tracking gave full revenue attribution on phone bookings (70% of revenue) for the first time. A 3-tier remarketing funnel and CRM Customer Match audience tripled off-season (Jan–Sep) revenue year-over-year.

"Before this, we had no idea which Google Ads were driving bookings. Our off-season bookings tripled in the first year — that alone justified the entire annual marketing budget." — Founder & CEO, B2C Travel Agency, Dubai
